

Remembering Those Who Have Lost Their Lives to Addiction

During our Annual Music Fest” A Benefit Event to Help Fight Addiction”, we at Christian Life Prison and Recovery Ministry would like to honor and remember all those who have lost their lives to addiction. To this end, we will be having a tent where we can reflect on our loved one’s struggle with addiction, as well as how it has affected us, parents, spouses, siblings, relatives and friends. This is a way for us to put a face to this battle of addiction. These were lives lost who mattered. These were people who had dreams, ambitions and greatness to contribute to this world, but who succumbed to an affliction that is little understood. Their lives and deaths were not in vain. Although they are no longer with us, they left us a legacy. We want to honor them by showing the world that they are not forgotten and that we are their voices. We will end the stigma surrounding those afflicted by addiction. We will bring it to the forefront and we will fight until addiction is no more. We may be struck down but we are not defeated.

If you’ve lost someone to addiction and would like to honor and remember him/her this way, please fill out the consent form attached and contact Nancy Lion at nancylion@comcast.net

Format: Please include a collage picture frame similar to one pictured along with a brief essay on their lives, struggle and accomplishments.

Memorial Tent Consent Form
