

**10TH ANNIVERSARY OF CONQUERING GROUNDS
MUSIC FEST/ RELAPSE AND
ADDICTION FORUM 2 DAY EVENT AT
CHRISTIAN LIFE CHURCH BENSALEM PA**

www.musicfest2022.org

Dear Potential Sponsor and Contributor,

Conquering Life Prison and Recovery Ministries (CLPRM) will be hosting its 10th anniversary Conquering Grounds Music Fest Relapse and Addiction Forum on Friday September 9th and Saturday September 10th 2022.

This year's 2 day event will be indoors at Christian Life Church Bensalem, PA. **And is a Benefit to Help Fight Addiction.** It is our biggest opportunity to raise funds and awareness, and to convey a message of Hope to our community while enjoying great music, recovery testimonies, resources and food. Friday night we will have an open Forum and panel discussion on Relapse and Addiction with addiction specialists, County officials and Local Leaders.

Rates of addiction and overdose are still an epidemic post-pandemic since covid. Last year over 5,000 people in Pennsylvania died from drug overdose. This event will help raise that awareness again and we will continue to partner with those in our community to help anyone struggling with addiction.

CLPRM is a non-profit 501 c 3 Organization that offers financial assistance, counseling, resources, meetings and free Outreach events to those battling addiction, those recently released from prison and those still incarcerated. We also have a scholarship fund that helps place those men and women into local short and long-term treatment programs.

The 10th anniversary of Conquering Grounds Music Fest is still a large-scale, highly visible Community event. This benefit will be well attended and our biggest fundraiser of the year. We do not charge admission to any of our events nor are there any fees for our services. Any event of this size requires funds outside of our budget, so we are asking for your help.

Please consider making your **100% tax deductible sponsorship / contribution** by going to www.clprm.org on the donation tab. You can also send a check to CLPRM PO Box 1624 Southampton PA, 18966. We have set up some very attractive sponsorship packages outlined on the sponsor page. Whatever level of donation provided will make a great impact on this event and our community.

We will also be happy to offer you a vendor space on both Friday evening and Saturday afternoon to advertise/promote your business, services or resources and meet and greet all those attending in person. We asked you please consider supporting CLPRM as a viable organization, now entering our 18th year a Ministry serving the local community with several different meetings, services and events each month.

A Heartfelt Thank You for your kind consideration. Together we can make a real difference in so many more lives!

"1 in 3 People know someone suffering from Addiction" – Please Help Us Save a Life!

Blessings and peace!
